

NW-SCC Faculty Learning Community

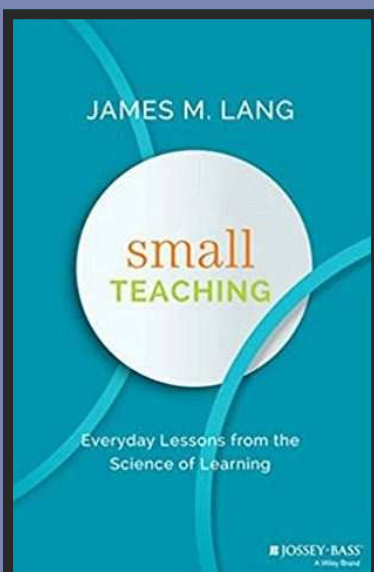

making BIG differences
ONE small CHANGE AT A TIME

MISSION

To develop a culture within the NW-SCC faculty which promotes and encourages engagement in pedagogical best practices, professional development, and interdisciplinary collaboration.

GOALS

- 1 Increase participants' knowledge of pedagogy, andragogy, and the science of learning.
- 2 Facilitate faculty-led professional development
- 3 Increase the frequency and relevance of professional development sessions
- 4 Brainstorm student pathways and curriculum mapping logistics
- 5 Develop a plan to sustain the faculty learning community over time

Expanding

"Lang's book offers what so many faculty members want and need: small-scale changes that can enhance their teaching and their students' learning—not just 'someday' but Monday."
- Marsha C. Lovett, Director, Eberly Center for Teaching Excellence & Educational Innovation, Carnegie Mellon University
